## Ingredients

1 oven-ready suckling pig quarter, weighing 1.5Kg approx

## Method

Your suckling pig quarter is oven ready, simply defrost the suckling pig the day before in the refrigerator.

To cook, bring the suckling pig to room temperature and place the bag in the rack of a pre-heated oven at 200°C/390°F/Gas Mark 6 with the skin facing upwards for 2 hours until tender with a wonderful crispy crackling.

Serve with your choice of potatoes, vegetables or salad.
